Operations Strategy and Objectives.....	3-7
Product and Service Process Design.....	3-13
Design Process Objectives.....	3-17
Structure Choices.....	3-27
Design Logic Model.....	3-27
Volume-Variety Requirements.....	3-29
Process Types.....	3-31
Process Layouts.....	3-35
Process Technology.....	3-41
Job Design.....	3-45
Infrastructure Choices.....	3-51
Organizational Design.....	3-51
Performance Measurement Systems.....	3-55
Integrated Performance Measurement.....	3-55
The Balance Scorecard Concept.....	3-61

Session 4—Operations Strategy Choices and Financial Measurement

Business and Operations Strategy.....	4-7
Business Strategy.....	4-7
Role of Performance Objectives in Operations Strategy Choices.....	4-15
Other Operations Strategy Issues and Choices.....	4-19
Process Layout Choices and Competitive Strategy.....	4-21
Materials Planning and Scheduling.....	4-23
Capacity and Organizational Structure Issues.....	4-25
Performance Measurements.....	4-27
Case Study.....	4-29
Financial Measurement.....	4-33
Cash Flow Statements.....	4-33
Financial Statement Analysis.....	4-39
Capital Investment.....	4-47
Absorption and Variable Costing.....	4-53

Session 5—Aligning Operations with Supply Chain Partners

Supply Chain Management.....	5-7
Supply Networks.....	5-7
Supply Chains.....	5-9
Supply Chain Management.....	5-11
Capacity Planning.....	5-15
Large Versus Small Scale Operations and Facilities.....	5-15
Managing Supply Chain Relationships.....	5-23
Purpose of Supply Chain Relationships.....	5-23
Arm's-Length Transaction.....	5-25
Long-Term Partnerships.....	5-27
Disintermediation.....	5-31
Outsourcing.....	5-33
Vertical Integration.....	5-35
Supplier Reduction.....	5-37
The Bullwhip Effect.....	5-39

Session 6—Infrastructure Systems

Management.....	6-7
Measurement Processes.....	6-7
Human Resource Policies and Practices.....	6-13
Quality—A Competitive Marketplace Requirement.....	6-17
Total Approach to Quality.....	6-17
Creating Value for the Customer.....	6-17
Quality Measures.....	6-23
Statistical Process Control.....	6-29
Quality Management Systems and Awards.....	6-31
Information Infrastructure.....	6-33
ERP Systems.....	6-33
Visual Management and Reporting.....	6-37
Deployment of Facilities and Equipment.....	6-43
Facilities.....	6-43
Positioning of Equipment.....	6-57

Session 7—Change Management

Implementing Strategy Through Change.....	7-7
Reasons For Implementing Change.....	7-7
Strategies For Change.....	7-9
The Change Process.....	7-11
Role of Leadership and Management.....	7-17
